PARISH GIVING SCHEME

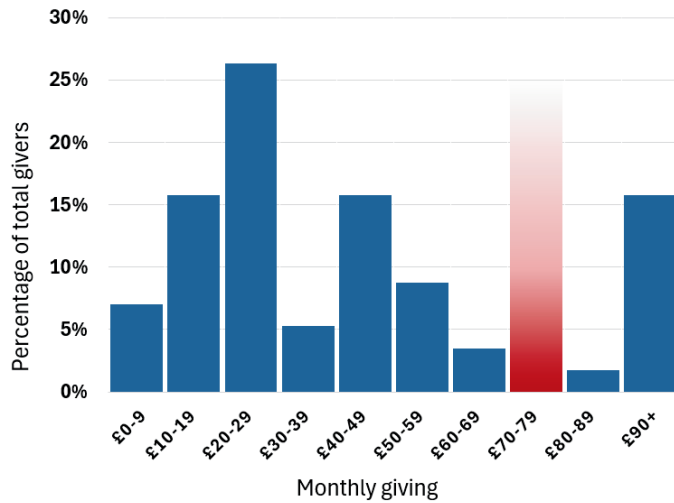

A SEASON OF GENEROSITY

At present, the income from St Andrew's does not fully cover our costs. This situation needs to change to ensure our future.

The Parish Giving Scheme (PGS) is a great system for planned giving, which we strongly encourage you to be a part of. Simply visit www.parishgiving.org.uk or phone **0333 002 1271** to join and quote our parish code: **151501252**

What does our current monthly giving look like?

Please pray and reflect on the information in this leaflet, reviewing your contributions that keep our church fulfilling God's mission in our community.

Thank you for all you are able to give. Your gift, however large or small, will make a difference.

Giving God, we receive so much from you, and therefore have much to give. Help us to share in the blessings of giving as well as the happiness of receiving, that your love may be more widely shared through Jesus Christ our Lord. Amen.

If you pay tax, please Gift Aid your giving and we can claim an additional 25%.

Please fill in and return the attached form.

OUR VISION

Giving is a spiritual and joyful response to our generous and loving God. We give as a natural and willing reaction to the gifts we have received, and continue to receive, from our Creator. By offering our time and talents and making a regular financial contribution, we commit to making a real difference both to ourselves and our local Church.

We believe that it is really important to have a Church presence in every community; our historic site dates back to at least the 10th Century and has served as a focus of Christian worship in Colyton for over one thousand years.

*All shall give as they are able,
according to the blessing of the Lord your God
that he has given you.*

Deuteronomy 16:17

We keep the Church open and welcoming every day with regular worship throughout the week, also holding many concerts and community events. As part of our mission, we run a wide range of groups for all ages: these include children's and educational work, musical opportunities and social support, to name a few.

Our vision at St Andrew's is to work together with the other churches within our Mission Community to seek and share God's Good News. We wish to be a resource to our local communities and to the wider church, faithfully proclaiming Jesus Christ as Lord to those within our Church communities and beyond.

SHARING OUR GIFTS GENEROUSLY

We recognise the support of those who give their time and talents on a voluntary basis, to whom we are very grateful. We are part of a thriving community but keeping the church open and serving our town comes at an ever-increasing cost.

FINANCIALLY

How can you support us?

- Existing regular givers: have you reflected on and increased your amount recently?
- Becoming a new regular giver: could you join the Parish Giving Scheme to give consistently? It's really easy!
- Gift Aid: if you pay tax, do we have your details? It costs you nothing.
- Legacies: consider leaving a legacy to St Andrew's, you don't need to be wealthy to leave a gift in your will; all legacies are important to us - we are happy to talk to you about making arrangements.
- One-off giving is also always appreciated.

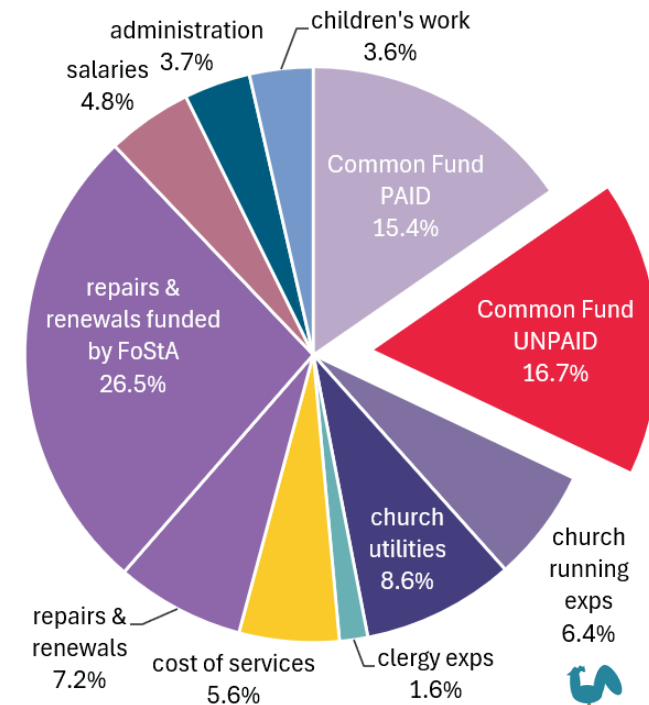

TIME & TALENTS

We always welcome more offers help. Here are some ways you can assist:

- Communication skills: posters, editing newsletters and magazines, publicity
- Musical skills such as singing and playing
- Supporting services: helping to set up and welcome people, lesson reading, intercessions, refreshments
- Administration: record keeping, rota planning
- Housekeeping: cleaning, unlocking and locking the Church
- Wider community support: visiting, prayer, Home Communion, volunteering in The Lantern Shop.

USING OUR RESOURCES

It can be helpful to know how your financial offerings are used. In Colyton, we spend our money on the following:

Our income falls far short of what we need in order to pay our way. It is also our duty to help fund our Diocese for their support to our Parish.

Unfortunately this has been the case for some years now and we would love, as a Church family, to better serve our town but need your help to address our financial situation.
